Belles Lettres
A Review Of Books By Women

A Quarterly Magazine Of Interviews, Essays, Candid Columns, & International Book News

Whenever *Belles Lettres* arrives in the mail, it's like greeting a trusted, thoughtful, and well-travelled friend who is going to tell me the books I most want and need to read. Its reviews connect women's writings to their traditions, criticize in a way that helps writers make our work better, and always remember that women's ideas must stand the test of women's experience. —Gloria Steinem
